## BIJOU WILL HAVE DANTE'S INFERNO

Last Three Days of the Present Week as Its Big Attraction.

Five reels showing Dante's Inferno will be run by Manager George A. Murray in the Bijou theater on Main street matinee and night Thursday, Friday and Saturday of this week.

History does not record a sweeter love than that which inspired the immortal Tuscan poet Dante in his affection for Beatrice. A thousand pictures have made the scene depicting the platonic and spiritual relations of these two lovers familiar to almost everyone. As a result of his profound love and worship of Beatrice, as a type of pure and sublime womanhood, Dante has given to the world one of the greatest monuments in the world's literature, the Divine Comedy. The best known part of the immortal work is the "Inferno" or Hell, which by reason of its graphic description and compelling power, early caught the admiration of the people, and was

most easily understood.

In order to make the beauties and charms of this deathless creation intelligible to the great masses, a company of famous Italian artists have rendered the entire poem into moving pictures, which will be shown at the Bijou next Thursday Friday and Saturday, at 2:30, 7:15 and 9:15 p. m.

It would be impossible within the narrow limits of a newspaper paragraph to convey even a small idea of the magnificence of this production. Neither pains nor time, nor money have been spared and the greatest human skill and art procurable have been secured to produce a work which is worthy even of the genius of Dante. Not even the illustration of Gustave Dore can give an adequate conception of what the makers of this film have achieved. Almost the entire thirty-four cantos have been used, and every striking and remarkable point in the poem has been brought out with marvelous power and accuracy in the picture.

## MISS MAUDE ADA IS WILL BE AT FAIRMONT

To Present a Famous Play in Grand Opera House in February.

One of the feature events of this season of the state this season will be the appearance in Fairmont February 12 of Miss Maude Adams and her New York company who will present "Chanticleer" at the Grand opera house. The attraction was secured by and will be presented under the auspices of the Woman's Club of Fairmont, which posted a huge guarantee for it.

The remarkable feature of the

event is that this will be the first time Miss Adams has played a one night stand since she assumed the rank of a star.

Despite the unfavorable criticism given the play when it was first produced in New York, it has so grown upon the theatre going public that it is now pronounced the greatest hit that Miss Adams has yet offered, excelling her work in "The Little Minister" and in "Peter Pan."

In order to accommodate patrons from nearby towns, special theatrical trains and cars will be run before and after the performance, on all lines entering Fairmont.

## WHEELING'S DEATH RATE SOME HIGHER

Miss Bertha B. Bland, Miss Grace Haymaker, and Miss Margaret Robinson returned to Baltimore Sunday night to resume their school work; at Goucher College after spending several days at home.

### Sore Throat Not a Trifling Ailment

On the contrary it is a very serious affection because every person with Sore Throat is in danger of Tonsillitis, Quinsy, or Diphtheria and other serious maladies. In fact these diseases are almost invariably preceded by Sore Throat.

The air we breathe, the food we eat, the liquids we drink, all pass through the throat, and if that is diseased infection may be carried to every part of the system. To cure a Sore Throat often means to prevent Diphtheria or one of the other more serious throat diseases. Curing Sore Throat is TONSILINE'S special mission. It is made for that—advertised for that—sold for that one purpose. TONSILINE is the one and only Sore Throat cure which is sold over a large part of the United States. TONSILINE is so well and so skillfully prepared as a Sore Throat cure that the first dose gives decided relief, and a very few doses cure.

Remember—Sore throat is Nature's danger signal. Keep TONSILINE in the house and be on the safe side of Sore Throat. 25 cents and 50 cents. Hospital Size \$1.00. All Druggists.

### THE REASON

That Weber's roses and carnations last longer than any others is because they are grown 2835 feet above sea level and each plant is packed by forty-two years of experience in "knowing how" to produce sturdier plants and richer colors. You will find them at Weber's down on Pike street.

Than the Average for Cities in the United States as Census Shows:

WASHINGTON, Dec. 4.—Wheeling's death rate is higher than the average for cities of the United States which maintain registration of vital statistics in such form that the desired information on mortality can be obtained from them, according to figures just given out by the Census Bureau. While the average death rate of all registration cities for 1910 was 16.1 per thousand of population, the death rate in Wheeling in the same period was 17.5 per thousand of population. The lowest death rate noted in any city was 8.5 per thousand in West Orange, N. J. The highest rate noted, was in Charleston, S. C., with 29.7 per thousand.

Wheeling is the only registration city in West Virginia, and consequently the only one in which the death rate is published at this time. But in Ohio there are several registration cities, and the death rate in those close to the West Virginia border is given as follows: Steubenville, 17.9; Chillicothe 17.8; Youngstown 16.8; East Liverpool 16.3; Portsmouth 15.1; Ironton and Zanesville each 14.9; Bellaire 14.6; Marietta 12.7; Canton 12.2.
